

Are you interested in becoming a **Healthy Louisiana Application Assistance Site?**

Louisiana Medicaid and Bayou Health are now Healthy Louisiana. LDH is actively recruiting new community partners to provide in-person assistance to those applying for Healthy Louisiana programs that do not need a disability assessment. LDH is looking for anyone who interfaces with the public to provide services, to include faith-based organizations. Healthy Louisiana Application Assistance Sites will be reimbursed up to \$20 for each online application that is approved.

MINIMUM REQUIREMENTS FOR BECOMING A HEALTHY LOUISIANA APPLICATION ASSISTANCE SITE ARE:

- Designated office with established hours of operation
- Have a designated area allowing for privacy during interviews
- Internet access and hardware (computer, laptop, tablet, etc.) to complete online applications
- Sufficient seating to accommodate persons waiting for interview (can schedule appointments)
- Space is Americans with Disabilities Act (ADA) accessible
- Adheres to requirements for privacy and security of protected health information (PHI)
- Completion of management orientation training
- Completion of training for one or more staff who can provide application assistance one or more days per week

IF YOU ARE INTERESTED IN BECOMING A HEALTHY LOUISIANA APPLICATION ASSISTANCE SITE, SUBMIT A REQUEST TO APPLICATIONCENTER.SERVICE@LA.GOV.
