

Louisiana Department of Health and Hospitals Health Plan Advisory 15-3 February 3, 2015

Healthcare Common Procedure Coding System (HCPCS) Codes Payable to Podiatrists

The Louisiana Medicaid program allows Podiatrists to bill for services within their scope of practice. Providers are expected to bill the most appropriate HCPCS code for the service provided. These claims are subject to post payment review and recoupment.

Below is a list of HCPCS codes recently added by the Louisiana Medicaid program to Appendix G of the Professional Services manual. Health Plans should update their files to allow reimbursement of these services to Podiatrists.
