**Health Plan Advisory 16-38**  
**Revised March 17, 2017**

**Corrected Priority Payer Name Segment for Pay and Chase Records**

Effective May 15, 2017, the five managed care organizations (MCO) shall implement system changes to always include the Corrected Priority Payer Name segment in the 835 response to billing providers for Pay and Chase type records.

For Pay and Chase type records (reference Pay and Chase HPA 16-17), the MCO shall include the 835 Loop 2100 NM1\*PR (Corrected Priority Payer Name) segment in the 835 response to the billing provider. The 835 Loop 2100 NM1\*PR segment shall include the Other Insurance company name in NM103 and the six-character LA Medicaid TPL Carrier Code value in NM109.
