

**Louisiana Department of Health
 Informational Bulletin 15-16
 October 1, 2015**

Medicaid Transportation Coverage as of December 1, 2015

Beginning Dec. 1, 2015, Medicaid recipients who had not previously been enrolled in a Managed Care Plan will be enrolled in a plan for any specialized behavioral health (mental health and addiction treatment services) and transportation services they may need. The entity responsible for a recipient's transportation services will depend on their Healthy Louisiana enrollment as shown in the table below. For information on scheduling transportation with the Managed Care Plans, please refer to [Informational Bulletin 12-8](#).
