Dear Parents or Guardian of **[Member's Name]**:

We are writing to tell you that your request for Pediatric Day Health Care (PDHC) and transportation for dates of service **[Dates of Service]** is denied and **[Health Plan]** will not pay for the care.

To find out why we won't pay, keep reading. If you think we made a mistake, you may ask for an appeal.

If you have questions, call **[Health Plan]** at **[1-XXX-XXX-XXXX]** or **[TDD/TTY XXX]**. **This call is free.** Your doctor also got a copy of this letter, so you can also talk to your doctor.

Why won't [Health Plan] pay for PDHC and transportation for [Dates of Service]?

The name of the criteria and/or regulation used to make the decision is: Pediatric Day Health Care Provider Manual.

The specific reason for the decision is: Your child's doctor asked for PDHC and transportation for **[him/her]**. The Manual above has rules about these services for members under 21 years old. They say your child must:

- Have a medically complex condition and needs both skilled care and any type of therapy by a licensed nurse on an ongoing basis to:
 - preserve and maintain health;
 - prevent death;
 - treat or cure disease;
 - improve disabilities or other adverse health conditions; and/or
 - prolong life.
- [Be stable for outpatient medical services in a home or community-based setting.](#)

We have reviewed the following records from **[Provider Name]**:

Records reviewed from **[Provider Name]** submitted on **[Date]**— entire record

- *[Health Plan to insert provider record details. Here is an example of the type of language that should be included: When your child was having seizures, she qualified for services. The records we reviewed show that her seizures are controlled on Keppra. She is no longer having seizures. Therefore, she no longer*

needs monitoring for seizures. The records show that she does not need to be on oxygen. She does not have heart or lung disease, or any medical problems as described above. Based on the PDHC Provider Manual and medical records, she no longer needs the services her doctor asked for.]

Commented [DL1]: This is specific to the case that was used to help create the template. The information here will vary based on provider input.

Because of all the reasons stated, **[Health Plan]** does not think the care is medically necessary.
