

Heroin & Opioid Crisis Interagency Survey

Heroin and Opioid Crisis Interagency Coordination Survey

During the 2017 Regular Legislative Session, Act 88 established the Advisory Council on Heroin and Opioid Prevention and Education (HOPE). The Council's purpose is to create an Interagency Heroin and Opioid Coordination Plan, coordinate parish-level data on opioid overdoses and usage of overdose-reversal medication (Naloxone), and coordinate a central online location to disseminate information and resources, including the Interagency Heroin and Opioid Coordination Plan. Two sub-committees were formed to address this body of work: a Data Workgroup, and an Interagency Coordination Plan Workgroup.

The objective of the Interagency Coordination Plan Workgroup is to coordinate and organize existing initiatives and resources to assist in developing a statewide coordination plan. We are asking for your participation in this survey so we may gather information on heroin and opioid initiatives taking place within your organization **since July 1, 2016 (State Fiscal Year 2017)** and the impacts of these initiatives. We request a response to this survey by **close-of-business on April 5th, 2018**. Please send completed survey responses to Brad Wellons with the Office of Behavioral Health at brad.wellons@la.gov

Feel free to share this survey with other agencies, organizations or departments, as well. Thank you for your time, and we look forward to your response.

Agency/Organization Mission

1. What is your agency's (or organization's) mission?

The St. Charles Parish Drug Court has been established to enhance the quality of life and to provide a safer community, thereby reducing social costs related to substance abuse. The primary mission of the Drug Court is to break the cycle of addiction and rehabilitate substance-abusing offenders by utilizing governmental agencies and community resources.

2. How does addressing the opioid crisis impact your mission?

Our Drug Court has been in operation since November 7, 2001. Since that time, we have seen a marked increase in first, oral opiod use, then later IV heroin use. We have had 13 of our program participants die; 5 of those deaths, confirmed to be from opiate or heroin overdose.

When the Medicaid Expansion was implemented by Congress 2016, our program partnered with a treatment agency in Metairie, LA to provide Medication Assisted Treatment (MAT) along with Intensive Outpatient Treatment to the opiate addicts in our program in the hopes of giving these clients assistance in getting and staying clean. We've seen great success in those who agreed to participate in MAT, who otherwise likely would have died based on their long term history of heroin and opiate addiction. Most are receiving the monthly Vivitrol injection and a few are on daily doses of Suboxone.

In providing our participants with Medication Assisted Treatment and substance abuse education, we are striving to break the addiction cycle for our opiod addicted participants utilizing MAT, as well as for those participants who elected not to use MAT. These participants are gainfully employed and some are beginning to live independently from their family.

Current Initiatives:

3. Identify your agency's (or organization's) initiatives that address the opioid crisis since **July 1, 2016** **(State Fiscal Year 2017)**

Initiative #1

A. Describe initiative:

1. Beginning July 1, 2016, all of our uninsured participants were guided through the online steps to apply for and get approved for Medicaid coverage. After obtaining Medicaid coverage, all willing opioid addicted participants were referred for Medication Assisted Treatment (MAT) and Intensive outpatient treatment through the agency providing the MAT services for our program. These participants were required to follow all of the rules of our drug court program, including treatment, random drug testing, and reporting weekly to the Drug Court Judge for a status hearing.
2. In October, 2017 our drug court contracted with the agency providing our MAT services to provide treatment to all of our drug court participants through a specially developed treatment program which meets SCDCO guidelines for Adult Drug Courts in Louisiana. All of our drug court participants are receiving individual counseling and are seen by the Medical Director on a weekly or bi-weekly basis. We feel that all of our participants are receiving better, more intensive treatment, education, case management, and monitoring than ever before, which we hope, will reduce the likelihood of their experimentation with opioid substances in the future.

1. Initiative can be categorized as: (check all that apply)

- Prevention – type of Prevention initiative: Education Awareness Outreach
- Treatment
- Other

2. Current status of this initiative:

1. Start Date: 7/1/2016

2. In Progress: Yes No
3. End Date: Currently ongoing.

3. Identify the program indicators used to measure the contributions necessary to enable the initiative to be implemented. Indicators may include process and impact. To better understand an indicator, please refer to this link: <https://www.cdc.gov/eval/indicators/index.htm>

- Program Indicator 1: No formal evaluation was completed but, because of the Medicaid Expansion and the addition of a key partner to provide MAT services, input indicators would best describe why these initiatives were put into place as well as our opioid addicted participants unable to stay clean.
- Program Indicator 2: Click or tap here to enter text.
- Program Indicator 3: Click or tap here to enter text.
- Program Indicator 4: Click or tap here to enter text.

4. Target Population of this initiative: (check all that apply)

1. Age: 0-17 18-21 22-45 46 and older
2. Gender: Male Female Other Data not available
3. Geographic Location(s) – Identify the geographic location(s) impacted by your initiative (please check the appropriate type and list the specific region(s) in the text box provided below) :
- Statewide Parish Regional Health Unit Judicial District
- Local Governing Entity (LGE) Region/Human Services District Other geographic region

29th Judicial District - St. Charles Parish

5. Identify funding source for this initiative: (check all that apply)

- State general funds Federal grant funds Local/parish funds
- Private/foundation funds Other funds

6. Partnerships: List any other agencies or organizations that you partner with on this prevention or treatment initiative.

- Partnership 1: Addiction Recovery Resources, Inc., Destrehan, LA
- Partnership 2: Click or tap here to enter text.
- Partnership 3: Click or tap here to enter text.
- Partnership 4: Click or tap here to enter text.

7. Can you identify any gaps or opportunities for partnerships?

Gaps: sober housing, adequate long term inpatient treatment-especially for women, employment and job readiness training, and dental services.

If your agency has no other initiatives, go to question 4, page 18

Initiative #2

A. Describe initiative:

Click or tap here to enter text.

B. Initiative can be categorized as: (check all that apply)

- Prevention – type of Prevention initiative: Education Awareness Outreach
- Treatment
- Other

C. Current status of this initiative:

1. **Start Date:** Click or tap here to enter text.
2. **In Progress:** Yes No
3. **End Date:** Click or tap here to enter text.

D. Identify the program indicators used to measure the contributions necessary to enable the initiative to be implemented. Indicators may include process and impact. To better understand an indicator, please refer to this link: <https://www.cdc.gov/eval/indicators/index.htm>

- Program Indicator 1: Click or tap here to enter text.
- Program Indicator 2: Click or tap here to enter text.
- Program Indicator 3: Click or tap here to enter text.
- Program Indicator 4: Click or tap here to enter text.

E. Target Population of this initiative: (check all that apply)

1. Age: 0-17 18-21 22-45 46 and older
2. Gender: Male Female Other Data not available
3. Geographic Location(s) – Identify the geographic location(s) impacted by your initiative (please check the appropriate type and list the specific region(s) in the text box provided below) :
- Statewide Parish Regional Health Unit Judicial District
- Local Governing Entity (LGE) Region/Human Services District Other geographic region

Click or tap here to enter text.

F. Identify funding source for this initiative: (check all that apply)

- State general funds Federal grant funds Local/parish funds
- Private/foundation funds Other funds

G. Partnerships: List any other agencies or organizations that you partner with on this prevention or treatment initiative.

- Partnership 1: Click or tap here to enter text.
- Partnership 2: Click or tap here to enter text.
- Partnership 3: Click or tap here to enter text.
- Partnership 4: Click or tap here to enter text.

H. Can you identify any gaps or opportunities for partnerships?

Click or tap here to enter text.

If your agency has no other initiatives, go to question 4, page 18

Initiative #3

A. Describe initiative:

Click or tap here to enter text.

B. Initiative can be categorized as: (check all that apply)

- Prevention – type of Prevention initiative: Education Awareness Outreach
- Treatment
- Other

C. Current status of this initiative:

1. **Start Date:** Click or tap here to enter text.
2. **In Progress:** Yes No
3. **End Date:** Click or tap here to enter text.

D. Identify the program indicators used to measure the contributions necessary to enable the initiative to be implemented. Indicators may include process and impact. To better understand an indicator, please refer to this link: <https://www.cdc.gov/eval/indicators/index.htm>

- Program Indicator 1: Click or tap here to enter text.

- Program Indicator 4: Click or tap here to enter text.

E. Target Population of this initiative: (check all that apply)

1. Age: 0-17 18-21 22-45 46 and older
2. Gender: Male Female Other Data not available
3. Geographic Location(s) – Identify the geographic location(s) impacted by your initiative (please check the appropriate type and list the specific region(s) in the text box provided below) :
- Statewide Parish Regional Health Unit Judicial District
- Local Governing Entity (LGE) Region/Human Services District Other geographic region

Click or tap here to enter text.

F. Identify funding source for this initiative: (check all that apply)

- State general funds Federal grant funds Local/parish funds
- Private/foundation funds Other funds

G. Partnerships: List any other agencies or organizations that you partner with on this prevention or treatment initiative.

- Partnership 1: Click or tap here to enter text.
- Partnership 2: Click or tap here to enter text.
- Partnership 3: Click or tap here to enter text.
- Partnership 4: Click or tap here to enter text.

H. Can you identify any gaps or opportunities for partnerships?

Click or tap here to enter text.

I. If your agency or organization has additional initiatives, please list them here:

Click or tap here to enter text.

Future Opportunities

4. Identify any potential opportunities to partner with other agencies or organizations to expand the scope of your initiatives:

Ochsner/St. Charles Hospital to provide medical detox services.

Oxford House for sober living facilities-1 for males and 1 for females.

5. What new initiatives would you undertake if funding were available?

Life skills training such as maintaining a checking account, completing a job application, budget planning, housekeeping, hygiene, etc.

-
6. Please provide any additional information that you feel necessary to explain or help us understand any of your responses to this survey:

N/A

Thank you for taking the time to fill out this survey. Your input is greatly appreciated. Please remember to save the survey document and send to brad.wellons@la.gov
