

## The Transition Planning Process for Providers Coming into Compliance with the HCBS Settings Rule

Please join Christy Johnson and Rosemary Morales as they provide guidance on the expectations of the Provider Transition Plan. The Provider Transition Plan will be your guide to the changes your agency will make in order to bring your setting into compliance with the CMS Settings Rule. This presentation is mandatory for all NOW, Supports Waiver, Children's Choice and ROW waiver providers.

### Where:

You can participate in person at the **Bienville Building, Room 118** or via live broadcast.

### When:

Monday, October 24, 2016  
9:00am-11:00am

### On the Day of the Meeting:

For those joining online, please log into

[www.dhh.la.gov/OCDDLive](http://www.dhh.la.gov/OCDDLive) to participate in

"The Transition Planning Process for Providers Coming Into Compliance with the HCBS Settings Rule".

**Please note:** Audio will not be present until the meeting begins. If you are seeing a totally black window, please make sure Adobe Flash Player Browser Plug-in is up to date. If you need to install the update, make sure to uncheck the optional installation of McAfee before selecting the "Download Now" button.

**Note:** Live broadcast works better when you access using Google chrome as your browser.

If you wish to view the video in full screen mode, click on the two arrows at the bottom right of the video window. When you see "Live" at the bottom of the video window, hit F5 on your keyboard to refresh in your browser window.

Questions will be answered at the end of the presentation as time permits. Please send your questions to [ocdd-hcbs@la.gov](mailto:ocdd-hcbs@la.gov)

For your convenience, the power point will be posted the day of the presentation under 'Training Materials' at the following link: <http://dhh.louisiana.gov/index.cfm/page/1921>

All documents related to OCDD's Home and Community Based Services Setting Transition Plan can be found at the following link: <http://new.dhh.louisiana.gov/index.cfm/page/1991>
