

DECLARATION OF EMERGENCY

**Department of Health and Hospitals
Bureau of Health Services Financing**

**Targeted Case Management
Foster Care and Family Support Worker Services
(LAC 50:XV.Chapter 115)**

The Department of Health and Hospitals, Bureau of Health Services Financing adopts LAC 50:XV.Chapter 115 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

The Department of Health and Hospitals, Bureau of Health Services Financing provides reimbursement for case management services rendered to targeted Medicaid populations, including Medicaid eligible children under the age of 21. Foster care and family support workers employed by the Department of Children and Family Services (DCFS) provides case management services that qualify for Medicaid reimbursement under the Targeted Case Management (TCM) Program.

The department now proposes to amend the Rule governing targeted case management in order to adopt provisions for reimbursing DCFS for Medicaid eligible TCM services.

This action is being taken to secure federal funding for Medicaid eligible services rendered to children in the care of DCFS, and to promote the health and welfare of these children by ensuring continued access to Medicaid covered services. It is estimated that implementation of this Emergency Rule will increase expenditures in the Medicaid Program by approximately \$30,800,271 for state fiscal year 2015-2016.

Effective July 1, 2015, the Department of Health and Hospitals, Bureau of Health Services Financing adopts provisions governing the reimbursement of targeted case management services delivered to Medicaid eligible children by foster care and family support workers with the Department of Children and Family Services.

§11505. Reimbursement

A. The department shall utilize a random moment sampling (RMS) procedure as the cost allocation process to determine the reimbursement for services rendered by DCFS staff.

B. RMS will statistically validate the method for determining the percentage of effort expended by DCFS foster care and family support workers for case management services rendered to Medicaid eligible children.

C. DCFS foster care and family support workers who render case management services will be randomly selected at a date, time, and frequency designated by the department to participate in a survey, or other process, to determine the amount of time and efforts expended on the targeted population for Medicaid covered services. The RMS responses will be compiled and tabulated using a methodology determined by the department. The results will be used to determine the cost associated with administering the Medicaid covered TCM services, and the final reimbursement to DCFS for the services rendered.

D. As part of its oversight responsibilities, the

department reserves the right to develop and implement any audit and reviewing procedures that it deems are necessary to ensure that payments to DCFS for case management services are accurate and are reimbursement for only Medicaid allowable costs.

AUTHORITY NOTE: Promulgated in accordance with R.S. 36:254 and Title XIX of the Social Security Act.

HISTORICAL NOTE: Promulgated by the Department of Health and Hospitals, Bureau of Health Services Financing, LR 41:

Implementation of the provisions of this Rule may be contingent upon the approval of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), if it is determined that submission to CMS for review and approval is required.
