Managed Care for Physical and Behavioral Health
Louisiana Health Insurance Premium Payment Program
Behavioral Health Recipient Participation
(LAC 50:I.3103)

The Department of Health, Bureau of Health Services Financing proposes to amend LAC 50:I.3103 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

The Department of Health, Bureau of Health Services Financing will provide coverage to eligible Medicaid recipients through the Louisiana Health Insurance Premium Payment Program (LaHIPP) by establishing or maintaining a third party resource as the primary payer of the recipient’s medical expenses in order to reduce costs to the Medicaid Program (Louisiana Register, Volume 43, Number 4). The department promulgated a Rule to exclude LaHIPP participants from participation in managed care for physical and behavioral health services (Louisiana Register, Volume 43, Number 4).

The department has now determined that it is necessary to amend the provisions governing managed care for physical and behavioral health in order to allow Medicaid recipients enrolled
in the LaHIPP Program to access behavioral health services only through the managed care organizations that participate in the Healthy Louisiana (formerly Bayou Health) Program.
