

Limited Use Sewerage Systems

Prior to the existence of a formal approval process for limited use systems, sewage treatment systems that met dimensional requirements in the Code could be used. Manufacturers of these three-cell “old” camp units are listed below:

Manufacturers	
Advanced Fiberglass Products P. O. Box 969 Gray, LA 70359 (985) 447-1624	Murphy Cormier General Contractor, Inc. 2885 Hwy 14 East Lake Charles, LA 70607 (337) 474-2804
Delta Environmental Products 8263 Florid Blvd. Denham Springs, LA 70726 (225) 665-6162	Rogers Ready Mix, LLC 45232 Rogers Rd. Hammond, LA 70401 (985) 345-4096
Lacey’s Digging & Fiberglass Works 2400 Hwy 471 Brandon, MS 39042 (601) 939-6511 or (601) 829-2886	Southern Manufacturing Company P. O. Box 790 Groves, TX 77619 (409) 962-4501
