Traveling to and from Ebola-affected countries, here is what you need to know.

**WHILE TRAVELING**
- Alert airline personnel about any other travelers displaying Ebola symptoms.
- If you develop a fever and Ebola symptoms yourself, promptly inform airline personnel.
- Fever, weakness, muscle pain, headache, and sore throat; followed by vomiting, diarrhea, bleeding.

**AT AIRPORTS AND THROUGHOUT YOUR TRAVELS**
- Avoid direct physical contact with anyone who is displaying symptoms of Ebola.
- If you develop a fever and Ebola symptoms yourself, promptly inform airline personnel.
- Wash your hands throughout the day with soap and water.
- Contact 911 if you begin to display any symptoms of Ebola during your travel.
- Follow updates from www.cdc.gov/ebola.
