

MEDICAID MEMBERS:

Get a gift card for getting a COVID vaccine and booster shot!

Members who received a \$200 gift card for a first or second dose of the COVID-19 vaccine or the single dose COVID-19 vaccine are eligible to receive a **SECOND** gift card from their health plan for receiving a vaccine booster.

This incentive program is for Medicaid members who are:

- *Age 5 and older who received their first or second dose of the vaccine on or after April 5, 2022.*
- *Age 6 months to age 4 who were vaccinated with their first or second dose on or after July 5, 2022.*
- *Age 6 months and older who received a vaccine booster dose on or after October 1, 2022.*

STEP ONE

Visit <https://ldh.la.gov/covidvaccine> for a list of vaccine locations.

STEP TWO

Get your first or second dose of a two-part COVID-19 vaccine, one single-dose COVID-19 vaccine, or a booster shot.

STEP THREE

Receive your gift card from your health plan.

Visit www.ldh.la.gov/vaccinegiftcard for more details.
