Re: Second Report to Proposed Amendments to LAC 48:I.10001 and 10015 – Nurse Aide Training and Competency Evaluation Program – Licensing Standards

Pursuant to the Louisiana Administrative Procedure Act, the Louisiana Department of Health, submits its second report regarding the Nurse Aide Training and Competency Evaluation Program – Licensing Standards, LAC 48:I. 10001 and 10015.

A Notice of Intent on the proposed amendments was published in the June 20, 2025 issue of the *Louisiana Register* (LR 51:886). No written comments were received and there was no request for a public hearing during the notice period. Because there were no requests for a public hearing, one was not held for these proposed amendments. Additionally, no substantive changes were made to the proposed amendments since the report provide for in R.S. 49:966B-C was submitted.

Unless otherwise directed, the Department anticipates adopting the June 20, 2025 Notice of Intent when it is published as a final rule in the September 20, 2025 issue of the *Louisiana Register*.

Please contact Cynthia York, Cynthia.York@la.gov, if you have any questions or require additional information about this matter.
