Suzy Sonnier moved and Mary Livers seconded the motion to approve the minutes of the July 30, 2015 meeting. A vote was taken. Board members Comeaux, Edmonston, Eley, Gaudet, Gleason, Livers and Sonnier voted "yes." There were no votes in opposition and the motion passed unanimously.

Chairman Michael Comeaux requested that the agenda be altered to move New Business to the top of the agenda to allow for Dr. Janice Petersen to present on CSoC integration. The Board agreed.

New Business: Update on Integration

Janice Petersen, Ph.D., Deputy Assistant Secretary, Adult, Child and Family Operations, Office of Behavioral Health presented on the status of integration of Medicaid behavioral health and physical health. She provided a handout of the referral process that had been emailed by Magellan. Dr. Petersen stated that DHH is pleased to have been able to maintain a contractual relationship with Magellan for continuation of CSoC Services. The contract monitor is Darrell Montgomery in Medicaid with Dr. Petersen, Tom Jarlock, Connie Goodson and Karen Stubbs as lead for the Office of Behavioral Health. There have been no changes to the services available through CSoC. CSoC continues to operate under an executive order from the current governor. It is anticipated that DHH will ask for a new executive order and will request a new MOU with the child serving agencies. Staffing in OBH is tied to the MOU. Dr. Petersen asked each department to continue their relationship with DHH/OBH. She commented that OJJ and DCFS staff are now working at their agencies but continue to work with the CSoC team.

When asked how a young person who does not have Medicaid can be referred to CSoC, Dr. Petersen informed the board that OBH has implemented LaCAMS internally to manage behavioral health care for uninsured individuals. LaCAMS also went live on December 1, 2015.

Director's Report

The Director's Report was presented by CSoC Director Connie Goodson. The full report may be viewed at www.csoc.la.gov.

In response to a question about availability of PRTFs for developmentally disabled youth in state, Connie stated that recruitment to increase providers for specialized populations is ongoing. The preference however is to keep children and youth in their homes and communities.

Connie will attempt to gather additional information about the percentage of all children in school who have an IEP and what referral types are included in the category "Other."

Chairman Comeaux requested a motion to accept the Director's report. Kathy Edmonston so moved and Lauren Gleason seconded the motion to approve the director's report. A vote was taken. Board members Comeaux, Edmonston, Eley, Gaudet, Gleason and Sonnier voted "yes." There were no votes in opposition and the motion passed unanimously
