Applied Behavior Analysis (ABA) Services Fee Schedule

Due to a clerical error, some of the codes were inadvertently left off of the published fee schedule for Applied Behavior Analysis (ABA) services effective from Jan. 1, 2017 through Dec. 31, 2018.

None of these codes were eliminated from the fiscal intermediary's system (DXC Technology) and all remained in effect for dates of service between Jan. 1, 2017 through Dec. 31, 2018.

A corrected version of the ABA fee schedule for dates of services from Jan. 1, 2017 through Dec. 31, 2018 is posted [here](#).
