**Extended Home Health TV Modifier Use**

There has been inconsistent reimbursement of the TV modifier for Extended Home Health services (HCPCS codes S9123 and S9124) by the managed care organizations (MCO).

Reimbursement of S9123 and S9124 using the TV modifier shall be based on the Louisiana Medicaid fee-for-service reimbursement rate, which MCOs can access through the weekly procedure file from DXC Technology.

Further updates to the Home Health fee schedule will be made to provide additional clarification.
