Acts 204 and 433: Providers of Psychosocial Rehabilitation (PSR) Services

Senate Bill No. 108 was passed by the Legislature and was signed by Governor John Bel Edwards, with an effective date of January 1, 2022, as Act 204. Senate Bill No. 127 was also passed and was signed by the Governor, with an effective date of August 1, 2021, as Act 433.

These laws affect behavioral health services providers (BHSP), who provide psychosocial rehabilitation (PSR) services to Medicaid recipients. More specifically, it changed regulations regarding requirements for individuals providing services within licensed and accredited agencies.

The staff qualification requirements in both Acts 204 and 433 required federal approval by the Centers for Medicare and Medicaid Services (CMS) via revisions to Louisiana’s Medicaid State Plan. CMS approved the revisions with an effective date of **January 1, 2022**.

Providers should prepare now to ensure compliance with these requirements in advance of the January 1, 2022 effective date.
