LSU Enhanced Professional Service Fees to be Paid Effective 1/1/2021

Effective for dates of service on or after January 1, 2021, LSU professional service providers will receive an enhanced fee for certain codes. The only codes that are to be paid at these enhanced rates are those specific code and specific type of service combinations that are listed on this enhanced fee schedule.

If the code and the type of service code is not listed on this enhanced fee schedule, then the rate paid to these LSU providers would be paid from the normal existing fee schedule.

There are two different LSU payment groups:

Group 1: LSU Essential Provider – Shreveport

This group includes providers:

#2430769, NPI 1013374222, TAX ID 364774713

#1948705, NPI 1992888101, TAX ID 721365685

Group 2: LSU Essential Provider – New Orleans

Each payment group has its own special payment assigned that is outlined on the fee schedules posted on www.LaMedicaid.com.

LSU psychiatrists should be paid from the LSU enhanced fee schedules, not the SBH fee schedule. LSU is aware there are a few instances where the CPT code reimbursement may be lower on the LSU fee schedule than the SBH fee schedule.

Effective for dates of service January 1, 2021 and forward, claims submitted by professional service providers are to be paid according to the new published rates. Each managed care organization shall revise its reimbursement rates, notify providers when updates will be in production and recycle any claims that were not paid in accordance with the updated rates within 15 days as required by Sections 17.2.7.3 and 17.2.7.3.1 of the contract.
