**Applied Behavior Analysis Services Fee Schedule Effective July 1, 2022**

The Applied Behavior Analysis (ABA) fee schedule has been updated to reflect a rate increase for procedure code 97153. Please note there is only one rate for this code and no modifiers should be used with this code after July 1, 2022.

The new fee schedule can be found at :

Per the contract, this update must be completed 30 days after notification. Each managed care organization (MCO) must notify providers to inform them when the updates will be in production and to explain the MCO process for the recycling of denied claims that are due to the system update delays. The recycle of these denied claims shall be complete no later than 15 days after the system update.

Please notify René Huff, ABA/Chisholm Medicaid Program Manager, at [rene.huff@la.gov](mailto:rene.huff@la.gov) when updates and recycles are completed. Huff can also be contacted with questions.
