

LDH Hosting Meetings on Transforming Maternal Health in Louisiana

The **Louisiana Department of Health** is hosting a series of meetings to share information, get feedback and discuss potential partnerships for the **Transforming Maternal Health (TMaH) model** funding opportunity available through the **Centers for Medicare and Medicaid Services (CMS)**.

Through the TMaH model, CMS will select up to 15 state Medicaid agencies to receive funding to improve maternal health for people enrolled in Medicaid and the Children's Health Insurance Program (CHIP).
