

Capital Area Human Services Mobile Outreach Unit

Janzlean Laughinghouse, Ph.D.

Rhonda Irving

Overview

- Purpose: The purpose of the CAHSD Opioid Mobile Outreach Unit is to provide outreach primarily targeting opioid use or misuse in emergency rooms, criminal justice population, pregnant women, homeless individuals, state-recognized tribes, veterans, and other diverse populations.
- Goal: The goal of the CAHSD Opioid Mobile Outreach Unit is to increase awareness of the effects of opioids and the access to treatment for OUD. The outreach unit will also increase the access to recovery support services and recovery coaching in the catchment area.
- Operations: The CAHSD Opioid Mobile Outreach Unit will operate 4 days a week to provide outreach services to individuals with or at risk to opioid use disorder.
