

ANTICIPATED QUESTIONS WORKSHEET

The following questions are ones that are commonly asked by the media, stakeholders, partners, and the public during crisis events. Use them to help you prepare answers for questions you might face.

Additional tips:

- ✓ Keep your answers short (2 minutes or less).
- ✓ Use Q&A sessions as opportunities to get your key messages out.
- ✓ Use personal pronouns (“I” or “We”) rather than institutional nouns (“the Department of Public Health” or “this agency”).
