Louisiana Department of Health
Office of Management and Finance

MEMORANDUM

To: Jay Dardenne, Commissioner
Division of Administration

From: Dr. Courtney N. Phillips
Secretary

A handwritten signature in blue ink, appearing to read "Courtney N. Phillips".

Date: October 5, 2020

Subject: Act 96 Reporting

Act 96 of the Regular Session 2013 requires the Undersecretary to conduct a review and identify any legislation which has been implemented and has been operational for at least six months in the prior year that affects the department, its revenue, agencies, or other entities under its control and has a fiscal impact which is increased by the amount of one million dollars or more over the amount of the fiscal note as the bill was enacted. After a thorough review, the Louisiana Department of Health and its entities have not implemented any legislative actions that meet the qualifications of Act 96.
