Re: Act 540 Uncompensated Care Cost Report - Collected per Survey for Dates of Service 7/1/2024 through 6/30/2025

In response to Senate Bill No. 337 (Act 540 of the 2008 Regular Session), the Louisiana Department of Health (LDH) submits the enclosed report. This report is also available on LDH's website at <https://ldh.la.gov/resources>.

Act 540 requires LDH, as a condition of payment for uncompensated care costs, to collect patient-specific data from all state and non-state hospitals and other healthcare facilities. This requirement excludes rural hospitals and provider-based rural health clinics covered under the Rural Hospital Preservation Act. Reported data must include the amount and type of uncompensated care provided, as well as requested data on the amount and type of other services and activities financed through uncompensated care payments.

LDH engaged Myers & Stauffer, LC, a certified public accounting firm, to collect and compile uncompensated care cost data as required under Act 540. The attached report reflects Myers & Stauffer uncompensated care cost data for the time period of July 1, 2024 through June 30, 2025.

Using each hospital's latest filed Medicare/Medicaid cost report, the cost-to-charge ratios were calculated and applied to the uninsured charges compiled from the survey to determine the

uninsured costs. Inpatient routine, inpatient ancillary, and outpatient uninsured costs are separately identified.
