Re: HCR 51 Quarterly Report

In response to House Concurrent Resolution 51 (HCR 51) of the 2016 Regular Session, the Louisiana Department of Health (LDH) submits the enclosed report. This report can be viewed on LDH's website at <http://ldh.la.gov/LegisReports>. The resolution requires LDH to publish on a quarterly basis a report containing data directly related to payment for health care services through the implementation of a health coverage expansion of the Louisiana medical assistance program. The report includes the following:

- (a) Total Medicaid enrollment on a monthly basis from July 2016 through December 2016.
- (b) The average monthly premium paid to managed care organizations providing benefits and services to eligible Medicaid enrollees and the portion of the premium related to hospital payments for the February 1, 2017 rates.
- (c) The aggregate Medicaid claims payment by provider type for July 2016 through December 2016.
- (d) The total amount of inpatient and outpatient Medicaid claims paid to hospitals delineated by individual hospital for July 2016 through December 2016 separated into two attachments by inpatient and outpatient.

Please feel free to contact me at (225) 342-6726 with any questions or comments that you may have regarding the enclosed report.
