Final Model Provider Agreements Posting

The final Model Provider Agreements for both the CCN-S and CCN-P models will be posted today, August 30th at www.MakingMedicaidBetter.com. Many changes have been made to the original drafts that were posted in June. Therefore entities should carefully review the final agreements. A redline version is being made available to assist with that comparison.

CCN Policy and Procedures Guides

The most current version of the **CCN-P Policy & Procedures Guide** will be posted today August 30th, at www.MakingMedicaidBetter.com. As with the Model Provider Agreements, many changes have been made to the draft that was posted in July and entities should carefully review the current version of the **Guide**. A redline version is being made available to assist with that comparison. The **CCN-S Policy & Procedures Guide** is **still being updated** and will be posted later this week as soon as the revisions are complete.

Request for Letter of Intent to Enroll as a CCN

The first step of the enrollment process is to send a Letter of Intent which includes the name and contact information for the entity's primary point of contact during the enrollment process. Please Refer to Section 2 of the **CCN-P Policy & Procedures Guide**. **No other submissions** need to be submitted with the Letter of Intent and DHH is encouraging entities who intend to enroll as either a CCN-P or CCN-S to submit their Letter of Intent as soon as possible.

DHH Review of CCN Provider Recruitment Materials Review

DHH is requesting that Provider Recruitment materials be submitted to DHH for the opportunity to review and comment. Some materials currently in circulation contain inaccuracies, and this review is being providing as a courtesy so that CCNs can avoid unintentional misrepresentation. In addition, these materials are prompting calls by providers to DHH staff. Providing DHH with the materials being distributed will support the successful implementation of CCN efforts for all parties. Further information on the protocol for submitting provider recruitment materials can be found in Section 12 of the **CCN-P Policy & Procedures Guide**.
