

DECLARATION OF EMERGENCY

Department of Health and Hospitals Office of Public Health

Added Controlled Dangerous Substances (LAC 46:LIII.2704)

The Department of Health and Hospitals, Office of Public Health (DHH/OPH), pursuant to the rulemaking authority granted to the Secretary of DHH by R.S. 40:962(C) and (H), hereby adopts the following Emergency Rule for the protection of public health. This rule is being promulgated in accordance with the Administrative Procedure Act (R.S. 49:950, *et seq.*).

Based on the criteria, factors, and guidance set forth in R.S. 40:962(C) and 40:963, the Secretary, under this rulemaking, has determined that the below listed substances have a high potential for abuse and should be scheduled as controlled dangerous substances to avoid an imminent peril to the public health, safety, or welfare. In reaching the decision to designate the below listed substances as controlled dangerous substances under Schedule I, the Secretary has considered the criteria provided under R.S. 40:963 and the specific factors listed under R.S. 40:962(C). The Secretary has determined that Schedule I is the most appropriate due to her findings that the substances added herein have a high potential for abuse, the substances have no currently accepted medical use for treatment in the United States, and there is a lack of accepted safety for use of the substances under medical supervision.
