

Permanent Supportive Housing (PSH) Notice: Waiting List Closures

The public is hereby informed that changes to the waiting list will take effect **September 1, 2025**. Locations and bedroom sizes marked “Closed” will no longer accept applications, and those waiting lists will be considered closed after that date. Locations and bedroom sizes not marked “Closed” or “N/A” will remain open and continue to accept applications.

These changes do not affect institutional preference applications (documentation required); all applicable waiting lists for institutional referrals will remain open.
