

CERTIFICATION STATEMENT FOR PROVIDERS SUBMITTING CLAIMS BY MEANS OTHER THAN STANDARD PAPER

This is to certify that any and all information contained on any EarlySteps billings submitted on my behalf by electronic, telephonic, and/or mechanical means of submission, shall be true, accurate, and complete. I accept total responsibility for the accuracy of all information contained on such billings, regardless of the method of compilation, assimilation, or transmission of the information (I. e. either by myself, my staff, and/or a third party acting in my behalf, such as a service bureau). I fully recognize that any billing intermediary or service bureau that submits billings to the Office of Public Health (OPH) or its Fiscal Agent Contractor is acting as my representative and not that of DHH or its Fiscal Agent Contractor. I further acknowledge that any third party that submits billings on my behalf shall be deemed to be my agent for purposes of submission of EarlySteps Central Finance Office claims.

I understand that payment and satisfaction of any claims that shall be submitted on my behalf will be from Federal and State funds, and that any false claims, statements, documents, or concealment of material fact may be prosecuted under applicable Federal and/or State law. The provider will hold harmless and indemnify DHH from any and all claims, actions, damages, liabilities, costs and expenses, including reasonable attorneys' fees and expenses, which arise out of or are alleged to have arisen out of or as a consequence of the submission of EarlySteps Central Finance Office billings by the provider through electronic, telephonic, and/or mechanical means of submission unless the same shall have been caused by negligent acts or omissions of DHH.

I further acknowledge that submitting claims by means other than standard paper does not alter my continuing obligation to comply with all applicable requirements of the Central Finance Office Service Provider Agreement and Riders which I have signed including but not limited to those requirements pertaining to payments, billing timelines, records and records retention.

I understand that DHH or its designees are prepared to provide necessary technical assistance to assist new providers, or to correct technical problems which existing providers may experience. I realize that all communications regarding electronic, telephonic, or mechanical submission of claim shall be between the provider in whose name the claim is submitted and DHH or its Fiscal Agent Contractor. I further understand that this technical assistance shall consist of:

- Identification of data element requirements
- Identification of record layouts and other electronic specifications
- Identification of systematic problem areas and recommended solutions

I agree to notify either DHH or its Fiscal Agent Contractor of any changes in my provider name or address. Further, I agree to comply with such minimum substantive and procedural requirements for claims submission as may be required by DHH or its Fiscal Agent Contractor.

I certify that I am in compliance with the Central Finance Office Service Provider Agreement and Riders.
