Al Thibodeaux, Chair
Office for Citizens with Developmental Disabilities (OCDD)
State Advisory Council

Dear Chair Thibodeaux and OCDD State Advisory Council Members,

It is with sincere regret that I submit my resignation from the OCDD State Advisory Council and my position as Secretary, effective 5/4/2025

This decision was not made lightly, as it has been an honor to serve alongside such a dedicated group of advocates and professionals committed to improving the lives of individuals with developmental disabilities across Louisiana. I am proud to have contributed to the Council's work and to have been entrusted with the role of Secretary during my time here.

Unfortunately, I am no longer able to commit the time and attention the Council's work deserves. I hope my departure will allow someone else to step in and continue supporting the mission with the same level of care and commitment.

I remain deeply grateful for the opportunity to have served and will continue to support the Council's mission in spirit, even if not in an official capacity.

Thank you again for your leadership and collaboration.

With warmest regards,
Monica Stampley
