

All transportation services across waivers will follow this guidance.

- Transportation code is **T2002**.
- Transportation rate is a flat rate fee of **\$20**.
- Transportation must be provided by the provider at least one way in order to be reimbursed.
- Transportation is a separate billable service and must be billed on the same day as one of the following codes listed in the table below:

Day Habilitation/Community Life Engagement (CLE)	Prevocational/Community Career Planning (CCP)	Group Employment	Individual Supported Employment
T2021	H2014	H2025	H2023 U1
T2021 UQ	H2014 UQ	H2025 UQ	H2023 TS U1
T2021 TT	H2014 TT	H2025 TT	H2023 TT U1

- For code **H2026 U1**, if the provider is transporting the individual to/from their individual community job, even on days that the provider is not delivering H2026 U1, the provider may bill for transportation. To do this, the POC must include H2026 U1 and T2002. Provider must keep a record of the transports.
- For code **H2023 UK U1**, the transportation is included in the rate.
- Transportation cannot be provided at the same time as another service is being delivered to the same individual with the exception of Community Life Engagement Development.
- The staff providing transportation cannot also be providing another service at the same time as providing transportation (i.e., transportation for one individual at the same time as CLE for another individual).
- In order to bill for transportation, the provider agency must provide the service, in accordance with the HCBS Provider Licensing standards regulations for transportation. If the provider enters into a contract for transportation services, the services must be delivered in accordance with the HCBS Provider Licensing Standards for transportation, in addition to §5043 of the HCBS Provider Licensing Standards for “Contract Services.”
- The use of the electronic visit verification (EVV) system is not mandatory for this service, however, **transportation must be entered into LaSRS to be reimbursed**. If EVV is not used, the provider is responsible for preparing and retaining documentation that identifies the person transporting, the person transported, the pick-up time and location, and the drop off time and location for each single transportation service.
- Transportation is not billable for virtual delivery of Day Habilitation, virtual delivery of Prevocational, or virtual delivery of SE Follow along Supports.
- Transportation may be billed in the following circumstances:
