Please join the Office for Citizens with Developmental Disabilities as we share information with you and receive your feedback about proposed changes to the RFSR that will allow for prioritization of those waiting on waiver services. This would change the system change from a first-come, first served basis to a priority-based system. OCDD intends to incorporate finalized changes to the RFSR in the consolidated waiver that is under development. This Waiver will replace all four existing waivers and will start with I/DD MLTSS.
