**Re: ROW Provider Enrollment/ Medicaid Certification Process
(Limited to ROW Recipients)**

All waiver service providers are required to comply with all documentation requirements. These requirements are found on the LDH website. We have provided links to the Provider Manual, LDH/OCDD Webpage and the ROW Webpage below.

Once you receive your letter confirming enrollment in Louisiana Medicaid as a **Residential Options Waiver (ROW) provider**, you must complete the following forms:

1. The **Medicaid Freedom of Choice Request Form** to be added to the **Freedom of Choice** list. The form is located on the LDH website at:
<https://ldh.la.gov/assets/docs/OCDD/Providers/FOCRequestForm073020.pdf>
2. Existing providers must complete the **ROW (4W) Subspecialty form** to provide ROW services. This form is located on the LDH website at:
