

YOU'RE INVITED TO:

# LOUISIANA RURAL HEALTH COMMUNITY IDEA RAISER

HOSTED BY:

## RHT PROGRAM FUNDING PRIORITIES

LDH is soliciting recommendations related to the following strategic priorities established by the Centers for Medicare & Medicaid Services:

### MAKE RURAL AMERICA HEALTHY AGAIN

*Support rural health innovations and new access points to promote preventative health and address root causes of diseases.*

### SUSTAINABLE ACCESS

*Help rural providers become long-term access points for healthcare by improving efficiency and sustainability.*

### WORKFORCE DEVELOPMENT

*Attract a highly skilled workforce by strengthening recruitment and retention of healthcare providers in rural communities.*

### INNOVATIVE CARE

*Spark the growth of innovative care models to improve health outcomes, coordinate care, lower costs, and promote flexible care arrangements.*

### TECH INNOVATION

*Foster the use of innovative technologies that promote efficient care delivery, data security, and access to digital health tools by rural facilities, providers, and patients.*

WE WANT TO HEAR FROM

# YOU!

LDH is seeking input from hospitals, healthcare providers, academic institutions, CBOs, technology suppliers, and rural residents on strategies to address challenges in delivering rural healthcare. LDH will use your insights to inform our application for formula funds from the Rural Health Transformation (RHT) Program.

## WE WANT TO KNOW:

**What are the current barriers and challenges facing rural healthcare in your community?**

**What potential strategies could help mitigate these barriers and challenges for rural communities?**
