§2199.11. Purpose

The purpose of this Subpart is to protect public health and safety by establishing policies and practices through which incidents of workplace violence in healthcare settings can be properly addressed, mitigated, and, wherever possible, prevented.

§2199.12. Definitions

As used in this Subpart, the following terms have the meaning ascribed to them in this Section:

(1) "Department" means the Louisiana Department of Health and any healthcare professional licensing board transferred to and placed within the department pursuant to R.S. 36:259(A).

(2) "Licensing board" means any board or commission that has the duty to license a regulated entity as defined in this Section.

(3) "Regulated entity" means any licensed healthcare facility listed in R.S. 40:2006(A)(2), a federally qualified health center as defined in R.S. 40:1185.3, a pharmacy permitted in accordance with Part IV of Chapter 14 of Title 37 of the Louisiana Revised Statutes of 1950, and any office of a healthcare provider at which five or more healthcare professionals, as defined in R.S. 14:34.8(B), treat patients and such office is not otherwise licensed by the state but provides healthcare services
delivered by a licensee of a healthcare professional licensing board created in Title
37 of the Louisiana Revised Statutes of 1950.

(4) "Workplace violence" means violent acts, including battery or the
intentional placing of another person in reasonable apprehension of sustaining
battery, directed toward persons at work or on duty with their employment.

§2199.13. Licensed healthcare facilities; signage addressing workplace violence
required.

A. Each regulated entity shall display at its premises at least one sign that
conforms with the specifications of Subsection B of this Section and indicates that
abuse of or workplace violence against healthcare staff will not be tolerated and
could result in a felony conviction under R.S. 14:38 or other applicable criminal
laws.

B. Each sign displayed in accordance with the requirements of this Section
shall conform with all of the following specifications:

(1) The sign shall be posted in a conspicuous location in a publicly
accessible area of the regulated entity's facility.

(2) The sign shall be at least eighteen inches tall by eighteen inches wide and
written in the English language with letters not less than one square inch in size.

§2199.14. Healthcare workplace violence; public information

A. The department shall develop, publish, and maintain public information
regarding the issue of healthcare workplace violence on its website.

B. The information provided by the department pursuant to this Section shall
include, at a minimum, all of the following:

(1) A listing of best practices, toolkits, and resources on the issue of
healthcare workplace violence from governmental and private authorities including,
without limitation, the Occupational Safety and Health Administration and the Joint
Commission.

(2) Actions that regulated entities can take and policies that such entities can
adopt to prevent, respond to, report, and mitigate healthcare workplace violence.
A checklist of items for regulated entities to consider when developing a workplace violence prevention plan.

C. The website on which the department publishes information regarding healthcare workplace violence shall include a downloadable example of text that complies with the provisions of R.S. 40:2199.13(A) relative to signage required to be displayed at facilities of regulated entities.

§2199.15. Healthcare workplace violence prevention plans

A.(1) Each regulated entity shall develop and maintain a workplace violence prevention plan that includes, at minimum, all of the following resources:

(a) Resources for ongoing education on the issue of workplace violence.

(b) Resources for prevention of workplace violence.

(c) Resources on responding to incidents of workplace violence and debriefing with respect to such incidents and responses thereto.

(2) Each healthcare workplace violence prevention plan developed pursuant to this Section shall address and encompass all of the following:

(a) Personnel education and policies requiring all healthcare workers who provide direct care to patients to receive, at least annually, education and training in a format that provides an opportunity for interactive questions and answers with a person knowledgeable about the workplace violence prevention plan. The education and training delivered pursuant to a workplace violence prevention plan shall cover topics including but not limited to all of the following:

(i) How to recognize the potential for violence to occur.

(ii) When and how to seek assistance to prevent or respond to violence.

(iii) How to report violent incidents to law enforcement.

(iv) Resources available to employees for coping with incidents of workplace violence.

(b) A system for responding to and investigating violent incidents and situations involving violence.

(c) A system for regularly, and not less than annually, assessing and improving upon factors that may contribute to or help in preventing workplace violence.

CODING: Words in struck through type are deletions from existing law; words underscored are additions.
violence. This system shall address, without limitation, all of the following aspects of the workplace:

(i) Staffing, including staffing patterns that may contribute to, or be insufficient to address, the risk of violence.

(ii) Sufficiency of security systems including alarms, emergency response systems, and availability of security personnel.

(iii) Job design, equipment, and facilities.

(iv) Security risks associated with particular units of the workplace, areas of the regulated entity's facility with uncontrolled access, late night or early morning shifts, and areas surrounding the facility such as employee parking areas.

(d) A requirement that the regulated entity maintain and make available to its employees a written safety and security plan.

B. The department may prescribe additional required content beyond the material required by Subsection A of this Section for workplace violence prevention plans.

C. Each regulated entity shall orient all permanent and temporary employees of the entity's facility to the workplace violence prevention plan of the entity.

D. Each regulated entity shall maintain its workplace violence prevention plan in effect at all times.

§2199.16. Acts of workplace violence at licensed healthcare facilities; reporting required

A. Each regulated entity shall report to the proper authority, as required by the entity's workplace violence prevention plan, any instance of workplace violence that occurs on its property.

B. If an instance of workplace violence at a regulated entity's facility results in injury, involves the use of a firearm or other dangerous weapon, or presents an urgent or emergent threat to the welfare, health, or safety of facility personnel, the regulated entity shall report the incident within twenty-four hours.
§2199.17. Retaliation in connection with reporting healthcare workplace violence; prohibition

A. No regulated entity shall take any retaliatory action against a person who, in good faith, reports an allegation of or an instance of workplace violence.

B. No regulated entity shall prohibit an employee from, or take punitive or retaliatory action against an employee for, seeking assistance and intervention from local emergency services or law enforcement when a violent incident occurs.

C. No regulated entity shall discharge, demote, suspend, threaten, or harass an employee, or discriminate against an employee in the terms and conditions of his employment, because of any lawful act engaged in by the employee, or taken on behalf of the employee, in reporting to law enforcement a crime or allegation involving workplace violence at the regulated entity's facility.

D. The employee protections provided for in this Section shall be in addition to, and shall not replace, any protections conferred by the provisions of Title 23 of the Louisiana Revised Statutes of 1950.

§2199.18. Enforcement

A. The department or a licensing board may take action against any license it has issued to a regulated entity or an owner of such an entity, up to and including license revocation, to enforce the provisions of this Subpart. The department may make appropriate referrals to other state or federal agencies and offices that may have jurisdiction over workplace violence or retaliation allegations.

B. With respect to enforcement of this Subpart, the department shall adopt rules and regulations in accordance with the Administrative Procedure Act to provide for all of the following:

(1) Penalties associated with violations of particular provisions of this Subpart.

(2) Notice to a regulated entity of a violation.

(3) An informal reconsideration process.

(4) An appeal procedure including judicial review.
§2199.19. Rulemaking

The department and each licensing board shall promulgate in accordance with the Administrative Procedure Act all such rules as are necessary to implement the provisions of this Subpart.

Section 2. (A) The Louisiana State Law Institute is hereby directed to designate R.S. 40:2199 and 2199.1 as Subpart A of Part XIII of Chapter 11 of Title 40 of the Louisiana Revised Statutes of 1950, and is further directed to apply to the Subpart the heading "Licensing Enforcement".

(B) The Louisiana State Law Institute is hereby directed to designate R.S. 40:2199.11 through 2199.19, as enacted by Section 1 of this Act, as Subpart B of Part XIII of Chapter 11 of Title 40 of the Louisiana Revised Statutes of 1950, and is further directed to apply to the Subpart the heading "Healthcare Workplace Violence Prevention".

Section 3. This Act shall be known and may be cited as the "Lynne Truxillo Act".
