<p>Question: Given the discretion afforded to DHH in determining conflicts of interest as described in the current Bayou Health contract, does DHH view a bid by an affiliate of a current Bayou Health participant as a potential violation of Sections 3.2 and/or 19.52 of that contract? If so, will the Department allow the submission of an Organizational Conflict of Interest Mitigation Plan by the potential bidder for the purpose of satisfying the Department's concerns regarding any potential conflicts of interest, thereby allowing the affiliate to submit a bid without jeopardizing the current Bayou Health contractor's participation in the Bayou Health program?</p> <p>Answer: DHH does not believe that such a bid would necessarily create a conflict of interest in violation of the cited Bayou Health contract provisions. However, if the DBPM contract is ultimately awarded to that bidder, DHH recognizes the potential for an actual or perceived conflict of interest that would exist if the bidder and its Bayou Health affiliate fail to maintain the necessary degree of separation between their operations and activities. Therefore, if a bidder is affiliated in any way with a current Bayou Health plan, it will be required to submit an Organizational Conflict of Interest Mitigation Plan as part of its proposal, and if it is awarded the contract, it will be required to agree to contract terms that ensure that sufficient firewalls and</p>	<p>Question: Given the discretion afforded to DHH in determining conflicts of interest as described in the current Bayou Health contract, does DHH view a bid by an affiliate of a current Bayou Health participant as a potential violation of Sections 3.2 and/or 19.52 of that contract?
