Breastfeeding Peer Counseling Program  
OFFICE OF PUBLIC HEALTH  
DEPARTMENT OF HEALTH AND HOSPITALS  
305PUR-DHHRFP-BFPC-FY15-OPH

1. Staffing requirements; are these positions already in existence with the current BFPC program or would CCFHC or the persons who are awarded the contract have to find persons to fill these positions ; or would these positions involve staff that are already employed with the WIC program that would be awarded the contract?

The new contractor will be responsible for hiring the employees needed to meet the staffing requirements on pp. 9-15 of the RFP. There is a pool of employees that are work ready.

2. Also would the contracted agency assume the current BFPC program as is and the program make a transition to the awarded agency?

Yes, the new contractor will assume the current BFPC program.

Yes, the State Agency will assist in the transition as referenced on p. 15 on the RFP.
