DHH anticipates that Appendices with the revised rates and actuarial certification letter will be posted on Wednesday, June 15th as an addendum to the Requests for Proposal.

To allow two weeks from the date of the anticipated Addendum for submission of proposals, it is anticipated that the revised Deadline for Receipt of Written for Proposals will be Wednesday, June 29, 2011 at 4 PM.

All other dates in the Schedules of Events are anticipated to remain the same.
