

ADDENDUM II
OFFICE OF BEHAVIORAL HEALTH
DEPARTMENT OF HEALTH AND HOSPITALS
Response to Questions
RFP # # 305PUR-DHHRFP-COSTRPT-2014-OBH

Question: It was noticed on page 9 and page 34 of the cost template that the following reports which are due to the Medicaid fiscal intermediary were not listed in the count of reports under the scope of services:

- a. ACT 540 Survey
- b. Medicaid DSH Survey

Is the Department considering adding these reports into the scope of services in addition to the reports currently listed on page 9 and page 34 of the cost template?

Answer: No these reports are done by the hospitals with assistance from the cost reimbursement specialist.

Question: It was noticed on page 9 and page 34 of the cost template that the 339 – Provider Cost Reimbursement Questionnaire was listed. The 339 questionnaire is no longer a separate Medicare report, and is now fully integrated into the 2552-10 Medicare cost report. Is the Department considering removing the 339 report on page 9 and page 34 of the cost template as it is no longer a separate deliverable?

Answer: Yes. See Addendum III

Question: On page 7, under Section III. *Scope of Work*, sub-section A. *Project Overview*, the paragraph indicates a total of eleven reports, however on page 9 the table indicates a total of seven reports. Can the Department please clarify the number of reports that need to be completed by the selected vendor?

Answer: There are a total of 5 reports. See Addendum III

Question On page 20, under section “c” number “vi” the section requests to disclose the social security number of any current or former Louisiana state employees that will be included in the proposal. Can the social security number be included in a separate redacted proposal in order to protect the privacy of staff selected for this project?

Answer: This is not a mandatory requirement and can be excluded in the proposal.
