TELECOMMUNICATION EQUIPMENT

Instructions: can purchase bulk systems **and/or** additional accessories separately as needed. **No smoke alarms, motion sensors, carbon monoxide alerts, or wireless devices (cell phones) allowed.** Please contact [Teltex](#) or [Diglo](#) for purchasing

Amplified Phones

Amplified phones accommodate the user by having large buttons for dialing, flashing components that alert the user to an incoming call, long battery life and loud ringers. They work with both landlines and cell phones.

CLARITY ALTO PLUS

Wired Phone

CLARITY XLC8

Cordless Phone

**CLARITY AMPLIFIED
BRAILLE**

Captioned Phones

Captioned phones connect to both your telephone and Internet service to give you the best of both worlds: voice and captions. The captions are provided by a free service that **uses the Internet connection** to automatically display captions for every call, quickly and accurately.
