### **IV. GENERAL EMPLOYMENT INFORMATION**

#### ***APPOINTMENTS***

There are several types of appointments which may be made to Civil Service classified positions. Among these are probational appointments, job appointments, classified WAE appointments and student appointments. The following is a brief description of each type of appointment. (See LDH Temporary Appointments policy).

#### **PROBATIONAL APPOINTMENT**

Every person hired on probational appointment must serve a probationary period of at least 12 months (LDH requirement), but not more than 24 months, before becoming eligible for permanent status. During this probationary period your supervisor will determine whether or not you are satisfactorily performing your duties. If your performance does not meet the required standard, you may be removed at any time during the probationary period. While on probation you will earn annual leave, sick leave and retirement credit. When you have satisfactorily completed your probationary period, you will attain permanent status. Attainment of permanent status is extremely important because many rights under the Civil Service system are limited to permanent employees.

#### **JOB APPOINTMENT**

A job appointment is a non-permanent appointment of an employee to fill a position in the classified service for a limited period of time. Job appointees earn annual leave and sick leave. They are eligible for group health and life insurance and receive pay for observed holidays. Job appointees usually pay into Louisiana State Employees Retirement System (LASERS) depending upon the length of the appointment. Persons on job appointments do not attain permanent status and may be separated at any time.

#### **CLASSIFIED WAE (“WHEN ACTUALLY EMPLOYED”) APPOINTMENT**

A classified WAE appointment is a temporary appointment of an employee to fill a position in the classified service for a limited period of time and hours in order to address filling the position in a regular manner, or to address an emergency or work overload situation. Persons serving on classified WAE appointments do not gain permanent status, earn annual leave or sick leave, nor do they receive pay for observed holidays. WAE classified appointees usually pay FICA,

but may pay into LASERS if they have ten years of prior LASERS service credit and have not withdrawn their contributions. A classified WAE appointment may be terminated at any time.

### **STUDENT APPOINTMENT**

Civil Service Rule 1.5.1 defines a bona-fide student as a person enrolled in an accredited high school, college or university in the state, or a person enrolled in a state-operated vocational/technical school in a sufficient number of courses and classes to be classified as a full-time regular student under the criteria used by the institution in which he/she is enrolled; or a person enrolled in an off-campus college work-study program in a proprietary institution of higher education as defined in Section 461(b) of the Higher Education Act of 1965, as amended. A bona-fide student shall not lose his/her status as such because of vacations during the academic year or because he/she does not attend summer school. A student appointment may be terminated at any time. (See Appointment and Pay of Student Employees policy).

### **PROMOTIONS**

It is your responsibility to apply for positions in which you are interested and for which you meet the minimum qualifications. Upon promotion, your pay will be adjusted. It is your responsibility to schedule Civil Service examinations for any position(s) that you wish to apply for. Consult with your supervisor or Human Resources regarding promotional opportunities within the Department.

### **JOB CLASSIFICATION**

All positions are classified in one of the job titles established by the Department of Civil Service. The duties and responsibilities of your position will be described generally in a job specification and specifically by an individual position description. During your initial orientation, your supervisor will give you a copy of your individual position description. If there is any question about your position description, please ask your supervisor for clarification. Over a period of time, your duties may change, and it may be necessary to update or revise your position description to indicate your current duties. PLEASE BE AWARE: SUBMITTING FALSE STATEMENTS ON POSITION DESCRIPTIONS IS A VIOLATION OF CIVIL SERVICE RULES AND MAY BE CAUSE FOR DISCIPLINARY ACTION INCLUDING TERMINATION!

### **CIVIL SERVICE PAY PLAN**

For each classified position, the Department of Civil Service assigns a pay range. The range consists of a minimum, midpoint, and a maximum rate. The salary for each job is determined by a variety of factors, such as the type of work performed, level of expertise required, and educational requirements. The rate of pay for someone entering the classified service is

generally set at the minimum of the range. There are some instances when pay may be set at a higher rate, depending upon the availability of applicants in the job market and the level of expertise required for certain jobs.

### ***YOUR PAY***

LDH operates on a biweekly pay cycle. There are 26 pay periods annually. Your biweekly pay is your hourly pay rate times 80. By law, the Department is required to withhold federal and state income taxes, FICA and/or Medicare tax, and either state retirement or social security deductions from your check. You may authorize other deductions such as health insurance, life insurance, dental insurance, credit union, tax shelters, and other miscellaneous deductions.

### ***EMPLOYEE SELF-SERVICE (LEO)***

Louisiana Employees On-line (LEO) located at <https://leo.doa.louisiana.gov/irj/portal> is a part of the LaGov ERP Human Resources System that provides the following benefits to employees:

The official overall evaluation may only be changed by the Agency Reviewer.

A request for review must be submitted in writing and be postmarked or received in the Human Resources office no later than September 15<sup>th</sup> following the evaluation year. In the request for review, the employee must explain and provide supporting documentation for the request for review.

A permanent employee who disagrees with the Agency Reviewer' s decision has a right to have his/her PES file reviewed by the Director of Civil Service or the Director' s designee. An appeal to the Director of Civil Service must be postmarked or received by the Director no later than 10 calendar days following the date the employee received a copy of the Reviewer' s decision.

Please refer to Chapter 10 of the Civil Services rules for complete details regarding the PES process. (Also see the LDH Employee Performance Evaluation System policy).

### ***MARKET ADJUSTMENTS***

An employee who is in active status as of June 30<sup>th</sup> of the performance evaluation year, except for those serving in WAE classified appointments, becomes eligible for and may be granted a market adjustment effective July 15<sup>th</sup>, provided that the appointing authority has determined his market merits such an adjustment.

An employee who has a current official overall Performance Evaluation of "Needs Improvement/Unsuccessful" shall not be eligible for a market adjustment.

### ***ATTENDANCE***

You are expected to report to work in accordance with the work schedule assigned by your supervisor, and you are responsible for letting your supervisor know as soon as possible if you expect to be late or absent. Your supervisor will instruct you regarding your agency's procedure for reporting absences. Failure to notify your supervisor appropriately may result in disciplinary action, including termination.

### ***HOURS OF WORK***

The regular work week consists of 40 hours. Your exact work schedule will be discussed with you by your supervisor. Your supervisor will also inform you of the manner in which you are to record your attendance.

## **OVERTIME**

Effective delivery of services may require your supervisor to direct you to report to work on your days off, holidays or before or after regular working hours. In accordance with appropriate Civil Service Rules, Department policies, and the Fair Labor Standards Act (FLSA), you may be granted either compensatory time or cash payment for overtime work. Any questions concerning overtime pay should be directed to your supervisor, or you may contact Human Resources for information. (See Overtime Policy).

## **LUNCH AND BREAK PERIODS**

Lunch periods are generally for a 30-minute period and are not considered to be working time. Your supervisor will inform you of your scheduled time for lunch.

At your supervisor's discretion, you may be given up to two fifteen-minute break periods away from your work station during a work day. If given, these breaks are considered to be working time and your supervisor will advise you of the times of your scheduled breaks, if any.

## ***TRAVEL***

Your position may require travel. In some cases, it is a condition of employment. All travel must be authorized and approved in advance by your supervisor. Expenses incurred should be well documented and limited only to those incurred during the performance of your job duties. Claims for reimbursement must be submitted on a Travel and Expense Account Form and include all details provided for on the form, your signature and approval of your supervisor. If you are required to travel, consult your supervisor regarding the Department's travel policy. (See LDH Travel Policy).

If you are required to drive a state vehicle or your own vehicle while on state business, you must have proper authorization from your supervisor. You also must have a (1) valid Louisiana driver's license, (2) have successfully completed the Louisiana Safe Drivers Course within the last 36 months, and (3) have your driving record on file in the Department. (See LDH State Vehicles Policy).

## ***EMERGENCY PREPAREDNESS***

LDH plays a vital role in responding to situations such as hurricanes, environmental disasters and other emergencies. During national or state-declared emergencies all LDH employees are subject to being called upon to provide emergency assistance to the citizens of Louisiana. You will be notified of your role in an emergency by your supervisor and you will be provided with the necessary training to fulfill your responsibilities. (See LDH Emergency Preparedness Policy {All Hazards Response}).

## ***PERSONAL DATA CHANGES***

It is very important to you and the Department that current, accurate information is maintained in your employment record. Therefore, it is your responsibility to report any changes in your name, address, withholding exemptions, insurance coverage, marital status, and beneficiaries (retirement and life insurance) to Human Resources.

## ***RESIGNATION COURTESIES***

We realize that not all employees will remain in our employment until retirement. If you find it to your advantage to leave your employment, please give your supervisor at least two weeks advance notice of your resignation. This will afford your supervisor time to make arrangements to cover your workload with the least disruption of service to our clients and patients.

Be sure you leave your current address with Human Resources. This will ensure that your W-2 form or other separation documents can be sent to you promptly. If you move after leaving LDH be sure to inform HR of your new address to assure that your W-2 and other separation documents will be sent to the correct address.

## **V. LEAVE**

(See LDH Leave Policy for Classified LDH Employees).

### ***ANNUAL AND SICK LEAVE***

All permanent, probational, and job appointed employees earn annual and sick leave. The amount of annual and sick leave earned is based on an employee's number of years of full-time state service. An equal amount of each type is creditable at the end of each pay period as follows:

Years of Service	Earnings Rate per hour	Approximate Days per year
0-3 yrs.	.0461	12
3-5 yrs.	.0576	15
5-10 yrs.	.0692	18
10-15 yrs.	.0807	21
15-above	.0923	24

You do not earn annual or sick leave for any overtime hours or hours of leave without pay. Any hours of unused sick and annual leave held by an employee at the end of a calendar year are

carried forward to the next year. There is no limitation on the amount of annual and sick leave that can be accumulated.

Annual leave is provided primarily for vacations and handling personal affairs. It must be applied for in advance and can only be used when approved by your supervisor.

Sick leave is provided for those times you are prevented from performing your duties because of your own illness, medical, optical or dental appointment, or other personal medical reason. You may also request to use sick leave in lieu of annual leave for the illness or medical, optical or dental appointment of your spouse, child, stepchild, foster child, parent or stepparent. Use of sick leave in lieu of annual leave for this reason is subject to your supervisor's approval. Advance approval of sick leave is not required, except for scheduled medical appointments; however, you are required to file a leave request stating the cause of the absence and the amount of time absent. Sick leave to be used for medical, optical or dental appointments is approved only for the time required for the appointment when it is not possible to schedule the appointment during non-duty hours.

Upon separation from state service, you will be paid the value of any accrued annual leave up to a maximum of 300 hours. Annual leave in excess of 300 hours and all sick leave will be recorded in your employment record and will be reaccredited if you are reemployed in state service within five years of separation if your last separation was not a dismissal for cause or resignation in lieu of disciplinary action.

### ***COMPENSATORY LEAVE (K-TIME)***

You may use accrued compensatory leave in the same manner as annual leave. It must be used before annual leave or leave without pay for purposes other than those to which sick leave applies. You may, at your option, request the use of accumulated compensatory leave in lieu of sick leave. You may be required at any time, except for sick leave purposes, to take any or all accumulated compensatory leave.

### ***FAMILY AND MEDICAL LEAVE ACT***

All eligible employees of the Department who are qualified may request leave for qualifying family and medical purposes. Your accumulated annual, compensatory and/or sick leave is to be used for this purpose. An eligible employee is an employee who has been employed by the State of Louisiana for at least twelve (12) months and has worked at least 1,250 hours in state service during the 12 months immediately preceding the start of leave. An eligible employee shall be entitled to 12 weeks of FMLA during a 12 month period for one or more of the following circumstances: for the birth of child, and to care for a newborn child; for adoption or foster care of a child; to care for the employee's spouse, child, or parent with a serious health condition; for a serious health condition; and for a serious health condition that makes the employee unable to perform the functions of his/her position. A father, as well as a mother, can take leave for the

birth, adoption, or foster care of a child. You may contact your supervisor or Human Resources for more information.

### ***CIVIL LEAVE***

You will be given time off, without loss of pay, or charge of annual, sick or compensatory leave, for performing jury duty and for appearing as a witness before a court, grand jury or a public body or commission, provided you are not the plaintiff or defendant or the appearance is not as a result of previous non-State employment. You must furnish a copy of the court summons to your supervisor when requesting such leave. You will also be granted civil leave for performing emergency civilian duty.

### ***FUNERAL LEAVE***

To assist employees through periods of bereavement following the death of a relative, employees with permanent, probational, or job appointment status may be granted up to two days of funeral leave to attend funeral services of immediate family members. Immediate family members include:

- Husband/Wife/Daughter/Stepdaughter
- Father/Stepfather/Son/Stepson
- Mother/Stepmother/Grandchild (of employee)
- Sister/Stepsister/Grandfather/Grandmother
- Brother/Stepbrother
- Mother-in-law/Father-in law

Annual leave may be approved in accordance with normal policy to attend the services of other relatives and friends or to extend funeral leave beyond the allowed time. Contact your supervisor to request additional leave.

### ***EDUCATIONAL LEAVE***

You may be granted educational leave with pay for attendance at an educational institution for a maximum of 30 days in one calendar year, provided the course is pertinent to your work, applied for in advance, does not adversely affect the operations of the agency, and is approved by your supervisor. Please contact Human Resources for more information.

### ***MILITARY LEAVE***

If you are a permanent, probationary, or job appointment employee and a member of a Reserve Component of the Armed Forces of the United States, you shall be granted military leave with pay not to exceed 15 working days in one calendar year, except that it shall be limited to 15 working days for each tour of duty. Advance notice must be given to the appointing authority

by providing a copy of the military orders to report to duty, except when such notice is either precluded by military necessity or otherwise impossible or unreasonable.

### ***SPECIAL LEAVE***

You will be granted special leave to participate in a Civil Service examination on a regular work day not to exceed six examinations per year or to participate in a Licensing Board Examination necessary to retain a position or for employment. Special leave may also be granted in cases of natural emergencies or local conditions such as civil disorders, floods, and hurricanes and closures authorized by the Governor or Department.

### ***CONFERENCES AND WORKSHOPS***

You may be granted time for attendance at conferences, conventions, and workshops for training purposes. You will be permitted to attend while on duty status, provided the content of the program is pertinent to your job and your attendance is approved by your supervisor.

### ***PAID HOLIDAYS***

State holidays observed by the Department are as follows:

New Year's Day	Thanksgiving Day
Martin Luther King, Jr	Christmas Day
Mardi Gras Day	Inauguration Day in the
Labor Day	City of Baton Rouge
Veterans Day	General Election Day in the
	even-numbered years

In addition to the above, the Governor may declare other holidays during the year. You may be required by the Department to work on any of these days. If you do work, you will be compensated for the overtime in cash or compensatory time.

### ***UNSCHEDULED ABSENCES***

An unscheduled absence occurs when an employee is absent from work without having obtained approved leave by the close of business on the last working day prior to the absence. Approval of leave, after the fact, to cover an unscheduled absence shall not prevent the absence from being considered unscheduled. A continuous absence for the same reason is one unscheduled absence, regardless of its duration. According to Civil Service Rule 12.6 (a) 2 an employee who has seven or more unscheduled absences during any consecutive twenty-six-week period may be removed from his/her position. You should take care to request leave in advance if at all possible, to avoid unscheduled absences.

## **VI. STANDARDS OF CONDUCT**

In an effort to project a positive image of the Department, certain standards must be met. Failure to do so could result in disciplinary action. (See Employee Conduct Policy).

### ***CONFIDENTIALITY***

The records of our clients and patients are confidential and highly personal, and the confidentiality of these records must be maintained. Be sure that only authorized persons who have a bona fide need for the information have access to these records. You will be given training regarding the Health Insurance Portability and Accountability Act (HIPAA) and you will be expected to comply with HIPAA confidentiality requirements at all times during your employment with LDH.

As in any workplace, you may have access to information that is sensitive. Improperly passing on this information can be very disruptive to the office as well as to the agency. You should be careful not to divulge sensitive information except as directed by agency procedures or your supervisor. (See LDH General Privacy Policy).

### ***DISCIPLINARY ACTIONS***

Disciplinary actions include suspension without pay, involuntary demotion, reduction in pay, and dismissal. Permanent classified employees have the right to appeal any disciplinary action taken against them to the Civil Service Commission. An appeal must meet the requirements of Chapter 13 of the Civil Service Rules, a copy of which is available from the Appeals Section of the Department of Civil Service located at 1201 N. 3<sup>rd</sup> St., Suite 3-280, Baton Rouge, LA 70804, telephone (225) 342-8070 and FAX (225) 342-8058.

Your responsibility as an employee includes knowing, understanding, and abiding by the rules, regulations, policies, and procedures that govern your work. Since it would be impossible to list every potential infraction, please consult with your supervisor or Human Resources concerning those actions that could bring about disciplinary results. The Employee Conduct Policy outlines behaviors that are not tolerated by LDH.

### ***POLITICAL ACTIVITIES***

To protect your privileges associated with employment in state government, the limiting of certain political activities is necessary.

As a classified employee, you are allowed to express your political views privately; cast your vote; serve as a commissioner at the polls; support or oppose issues concerning bond issues, taxes, or constitutional amendments; and attend political rallies that are free and open to the public.

However, you cannot solicit votes, make contributions, distribute campaign material, or display a campaign sticker supporting a political party or candidate on yourself or your automobile.

If you are concerned about the legality of a particular activity, you should contact your supervisor or Human Resources prior to participation. Participation in prohibited political activities will subject state employees to disciplinary action by the State Civil Service Commission.

### ***CONFLICT OF INTEREST (GIFTS)***

Since you are in a position of public trust, the Code of Governmental Ethics prohibits a public employee from soliciting or accepting, directly or indirectly, anything of economic value as a gift or gratuity from any person if the public servant knows, or reasonably should know, that the person making the gift or gratuity:

- has or is seeking a contractual or business relationship with the public employee's agency;
- conducts activities regulated by the public employee's agency; or
- has a substantial economic interest that may be substantially affected by the performance or nonperformance of the public employee's official duties.

There are some exceptions to this general rule based on the definition of a "thing of economic value". Please check with your supervisor if you are not sure whether the gift or gratuity is a "thing of economic value."

### ***OUTSIDE EMPLOYMENT***

An employee who is presently engaged in, or who plans to engage in, outside employment with any person or entity that derives revenue or financial aid from LDH and/or is licensed or regulated by LDH, must complete the Disclosure of Outside Employment form, and submit it to your appointing authority. The appointing authority shall submit the form to the Bureau of Legal Services who will determine if an advisory opinion from the Ethics Commission for Public Employees should be obtained. If additional information is needed or an advisory opinion be obtained, you will be notified accordingly. Should you need additional information, please contact your supervisor or Human Resources. (See LDH Disclosure of Outside Employment Policy).

### ***BUSINESS DRESS STANDARDS***

It is vital that LDH employees project a level of professionalism in both the provision of services and personal appearance. As an LDH employee, you are expected to present a clean

and neat appearance and to dress according to the requirements of your position while you are on duty status. The following guidelines describe “business casual attire” which is appropriate attire for most LDH office environments:

- Women: Dresses; skirts with blouses and/or sweaters; slacks with blouses and/or sweaters; trousers and polo-type shirts; appropriate shoes and accessories.
- Men: Tailored or Dockers-type trousers or slacks; open-collared, button-down and polo-styled collared shirts; sweaters; appropriate shoes and accessories.
- Medical Staff: Scrubs are appropriate for medical staff as long as scrubs are clean and well-maintained. Clean, well-maintained athletic shoes are appropriate footwear with scrubs.

Your supervisor may direct you to adhere to special dress requirements related to your position, such as safety considerations, uniforms or the necessity to dress in “professional attire” in certain situations. (Examples of “professional attire” are suits, dresses, dress shirts, dress pants, ties, etc.). You are expected to comply with your supervisor’s directives in all matters involving work attire.

If your supervisor determines that you have reported to work in inappropriate attire, your supervisor may send you home to change into other attire. You may be placed on leave without pay during this time frame and you must return to your work station in a timely fashion and appropriately attired according to your supervisor’s directive to you. Questions regarding appropriate dress should be directed to your supervisor.

## **VII. GRIEVANCES AND APPEALS**

As in any organization, misunderstanding may arise between you and your supervisor or management. Through the Department’s established grievance procedures, you will be given an opportunity to discuss your complaints with the appropriate personnel.

### ***GRIEVANCES***

The policy of the Department is to resolve employee problems at the lowest possible supervisory level and at the earliest possible opportunity after such problems are recognized.

A grievance is defined as any disagreement between a supervisor and an employee, a complaint, or any alleged act of unfair treatment of an employee which has occurred while conducting the agency’s business.

A clearly defined policy has been established by the Department to resolve employees’ grievances. The process involves several steps which an employee must follow, with established timetables for each step. Should you find it necessary to file a grievance, you should first discuss

the situation with your supervisor. You may request a copy of the policy and filing form from your supervisor or Human Resources. The final decision is not appealable to the Civil Service Commission. (See LDH Grievance Policy).

Allegations of discrimination or harassment based on non-merit factors such as race, sex, national origin, age, and disability should be pursued through the proper authorities as outlined in the LDH Equal Employment Opportunity Policy).

Alleged violations of Civil Service Rules may be appealed in accordance with Chapter 13 of the Civil Service Rules.

### ***CIVIL SERVICE APPEALS***

Appeals can be made to the Civil Service Commission for any of several reasons including discrimination based on race, sex, political beliefs or religious beliefs; disciplinary action; and violation of any Civil Service rules. Should you decide to file an appeal, the notice of appeal to the Civil Service Commission must conform to the guidelines listed in Chapter 13 of the Civil Service Rules, a copy of which is available from the Appeals Section of the Department of Civil Service, 1201 N 3<sup>rd</sup> St., Suite 3-280, Baton Rouge, LA 70804, telephone (225) 342-8070, and FAX (225) 342-8058 or at <http://www.civilservice.louisiana.gov/>.
