IV. PROCEDURE TO COMPLY WITH OCTOBER 1, 2014 CHANGES TO PPM49

A. The Division of Fiscal Management's Payment Management section (DFM/PM) receives a monthly report of all unused airline tickets from LDH's travel management contractor.

1. The report provides the traveler's name, Account ID, Airline, Ticket Number, Ticket Type, Expiration Date and the amount of the ticket.
2. DFM/PM will send a request to each traveler whose name was listed on the report to provide justification for the unused ticket. The traveler must provide signed written justification including their immediate supervisor's signature and return to DFM/PM.
 - i. If the traveler fails to respond, DFM/PM will send follow-up correspondence to the traveler.
 - ii. If the traveler fails to respond to the follow-up correspondence, DFM/PM will send correspondence to the traveler's supervisor advising them of the traveler's failure to respond and requiring the supervisor to supply justification for the unused ticket.
 - iii. In the correspondence, the traveler and supervisor will be reminded of the requirement to comply with the following PPM49 stipulations:
 - a. Traveler should ensure that any unused ticket is considered when planning future travel arrangements.
 - b. Some airlines have a policy which would allow for transfer of the ticket to another employee within the agency. A view of the latest airline policies regarding unused tickets are available on the Office of State Procurement's website under Airfares/Airport Information, select the link entitled "Airfare Cancellations and Unused Ticket Use."
 - c. It is the traveler's responsibility to determine, upon initial notification of an outstanding unused ticket and then every 30 days thereafter, if they will utilize the unused ticket.
 - d. **Prior to the expiration of the ticket**, the traveler must determine if the ticket will be utilized. If the ticket will not be utilized by the original traveler and the ticket is transferable, the traveler must immediately advise the DFM/PM's travel administrator that the ticket is available for use by another employee, section or agency.
 - e. The DFM/PM's travel administrator will make every effort for another employee, section or agency to utilize the unused ticket.

- B. After the end of every quarter, a list of all unused tickets with the justification provided by the travelers will be submitted to the LDH Secretary for review and determination if reimbursement from the traveler will be required.
 - 1. If the LDH Secretary determines a reimbursement is required, the DFM/PM's travel administrator will immediately notify the traveler and the traveler's immediate supervisor of said decision.
 - i. The traveler must reimburse LDH for the full value of the ticket. The traveler may make the reimbursement by writing a check to LDH or by authorizing the amount to be withheld from their pay check.
 - ii. If the traveler fails to reimburse LDH, the traveler's supervisor will then be notified and must attempt to collect the reimbursement from the traveler.
 - iii. An employee's failure to comply with this policy can result in disciplinary action.

- C. A permanent file of all supporting documentation for compliance with this policy will be maintained by DFM/PM in the Travel Section.

V. DISCIPLINARY ACTIONS
