Vaccine Key Indicators

In the tables below, vaccination percentage rates for each parish in Region 5 are detailed by year, from 2019 to 2022. The rows for each parish show the **percentage of residents** in that parish who received the particular vaccine group. Each block is categorized into four vaccine groups: 7 series by age 2; 10 series by age 2; HPV (up to date) doses by age 13; and annual flu doses for adults.

7 series by age 2

DTap (2 doses), Polio (3 doses), MMR (1 dose), Hep B (3 doses), Hib (3 doses), Varicella/Chickenpox (1 dose), & Pneumococcal conjugate (4 doses)

	2019	2020	2021	2022
Statewide Vaccination Rates	77	75	74.3	74.6
Allen Parish	70	68	67.9	68.3
Beauregard Parish	69	69	60.5	49.8
Calcasieu Parish	71	65	62.2	62.9
Cameron Parish	70	53	51.7	68.0
Jefferson Davis Parish	72	71	71.5	72.9

10 series by age 2

DTap (1 dose), Polio (3 doses), MMR (1 dose), Hep B (3 doses), Hib (3 doses), Varicella/Chickenpox (1 dose), Pneumococcal conjugate (4 doses), Hep A (2 doses), Rotavirus (2 doses), Flu (2 doses)

	2019	2020	2021	2022
Statewide Vaccination Rates	39	40	36.2	30.4
Allen Parish	31	28	25.8	13.8
Beauregard Parish	23	23	16.3	9.4
Calcasieu Parish	31	31	24.7	19.6
Cameron Parish	26	33	20.7	24.0
Jefferson Davis Parish	23	25	19.8	14.1

HPV (up to date) doses by age 13

	2019	2020	2021	2022
Statewide Vaccination Rates	38	37	36.4	34.1
Allen Parish	31	28	25.8	24.2
Beauregard Parish	23	23	16.3	13.7
Calcasieu Parish	31	31	24.7	23.5
Cameron Parish	26	33	20.7	29.3
Jefferson Davis Parish	23	25	19.8	27.7

Annual flu dose, adults

	2019-2020	2020-2021
Statewide Vaccination Rates	44.0	42.0
Allen Parish	35.4	37.3
Beauregard Parish	37.1	40.3
Calcasieu Parish	34.5	34.8
Cameron Parish	39.6	42.2
Jefferson Davis Parish	39.4	35.4

Did you know?

Vaccines, or immunizations, are a huge reason people can lead healthy lives today. Thanks to innovations made in public health and modern medicine, vaccines have done a great job at reducing or eliminating many infectious diseases that used to cause devastating sickness in infants, children and adults.
