

Vax Matters Season 2 Trailer

Diane (00:00):

Hey listeners!

Clay (00:03):

Did you miss us? New episodes of Vax Matters and More That Matters are back.

Diane (00:08):

Last season we had all kinds of conversations about vaccines and other health and safety topics. Debunking the myths and bringing you the science behind staying healthy.

Clay (00:18):

And in season 2 we're back at it! Having more discussions about vaccines, health information and how you can build stronger communities through stronger immunities with facts from healthcare experts you can trust.

Diane (00:31):
