PROCESS FOR ABA SURVEY

Timeframe

Each Managed Care Organization (MCO) will send out the Annual Applied Behavioral Analysis (ABA) Survey to all members who after February 1 of the previous year:

1. Requested ABA services by telephone call to the MCO,
2. Requested ABA services from their provider, or
3. Received ABA services.

All surveys shall be mailed out on or before April 1, and the MCOs will allow the member 30 days to respond to the survey.

Audience

The surveys will be sent out to both Chisholm and non-Chisholm members.

There are two versions of the Annual ABA Survey - one will have a Chisholm Class Member (CCM) marker on the survey and the other will not.

The CCM marker will distinguish Chisholm members from non-Chisholm members while keeping the member's identity anonymous.

Cover Letter

A copy of the cover letter must accompany the survey. Each MCO should send it out with their logo and/or appropriate signature.

Readiness

LDH will send an email out to the MCOs two weeks before the surveys are to be mailed to ensure readiness on the part of the MCOs.

Confirmation

The MCOs must reply to the email confirming its receipt and survey initiation.

SURVEY REPORTING CRITERIA

Chisholm Member responses will need to be scanned in and sent to LDH who will then forward them to the Advocacy Center.

MCOs will send scanned copies of Chisholm Class Members' responses to the Chisholm Compliance Team: Rene Huff, Nancy Spillman, Jerri Boykin, and Breante' Moore.

The copies of Chisholm Class Members' responses shall be sent via secure email every 2 weeks.

Each MCO will use the ABA Survey Data Reporting template to document survey responses. There should be a sheet for Chisholm member responses and non-Chisholm member responses.

Each MCO must include their name in the title of the document so LDH can distinguish the responses from each MCO. This must be sent to the LDH Chisholm Compliance Team on or before June 15.
