

MEDICAID CONTRACT AMENDMENT

IMMINENT PERIL JUSTIFICATION

July 31, 2024

SUSPENDING AGENTS:

CONTRACT AMENDMENT:

MCO 3.0 Contract Amendment 7 provides an update explaining the Full Medicaid Pricing (FMP) model for State Fiscal Year (SFY) 2024 rates.

JUSTIFICATION:

Revisions contained in this amendment are within scope and comply with the terms and conditions as set forth in the RFP.

This amendment reflects a de minimis increase to the capitation rates for the period of July 1, 2023 through June 30, 2024, to account for an additional provider participating in the Full Medicaid Pricing (FMP) program. In accordance with 42 CFR 438.7(c)(3), this amendment serves as documentation that this modification to the capitation rates complies with the requirements in §§ 438.3(c) and (e) and 438.4(b)(1).

Capitation rates are the mechanism by which the MCOs are paid to provide coverage of critical healthcare services to more than 1.7 million managed care enrollees. Any delay in the execution of this amendment has the potential to disrupt and jeopardize the provision of medically necessary services to Louisiana's most vulnerable population.

EFFECTIVE DATE:

July 1, 2024
