This amendment extends the termination date of the contract with MCNA for two additional years – from December 31, 2023 to December 31, 2025 – at the same rates, terms, and conditions of the initial contract term. DBPMs provide core dental benefits and services to more than 1.8 million managed care enrollees.

Any delay in the execution of this amendment has the potential to disrupt and jeopardize the provision of medically necessary services to Louisiana's most vulnerable population.
