05	MEDS-LOCATION-INDICATOR*	4	N	116	119
05	END-OF-FIELD	1	X	120	120

***NOTE: The MEDS Location Indicator is currently being coded to hold the four digit DOC facility location code for MCOs to pull down to map to for mailing member ID cards instead of sending all cards to DOC headquarters. Mention of this upcoming change can be found in the project manual on page 4.**
