

Compare Health Plans

All Healthy Louisiana health plans offer the same basic services as Medicaid or LaCHIP. These include well-child visits, pregnancy care through delivery, medical transportation, prescription drugs, mental health services, and substance use treatment. The basic plan benefits include:

- Behavioral health services
- Chronic illness management
- Durable medical equipment, prosthetics, orthotics and certain supplies
- Early periodic screening, diagnostic, and treatment (EPSDT)/well-child visits
- Emergency and non-emergency medical transportation
- Emergency medical services
- Family planning services
- Immunizations/vaccines
- Inpatient/outpatient hospital services
- Laboratory tests and x-rays
- Pregnancy and newborn care
- Prescription medicines/pharmacy
- Rural health clinic services
- Unlimited Primary Care Provider (PCP) visits
- Women's health services
- And many more benefits

Each plan also offers extra services. Use this chart to compare the extra services by plan. For a full list of services, go to MyPlan.healthy.la.gov.
