requests for services based upon the need for urgency due to the member's health condition.

Medical Director Reviewer Responsibilities

Authorization requests Abortion claims that do not meet federal and state regulations for abortions will be presented to the medical director for review. The medical director will make a medical necessity decision using clinical judgment to approve or deny the request while maintaining compliance with federal and state regulations.

Criteria for Abortions²

Abortions must be prior approved before the service is rendered claims are reviewed to guarantee compliance with federal and state regulations. Emergent and outpatient requests do not require authorization.

The use of public funds to provide induced abortion services must meet applicable state and federal laws, including the requirements of the Hyde Amendment (currently found in La. R.S. 40.1061.6 and the Consolidated Appropriations Act, 2014, Public Law 113-76, Division H, Title V, §506 and §507).

Aetna Better Health's coverage of induced abortion is restricted to those that meet the following criteria:

- A physician has found, and so certifies, based on his/her professional judgment, the life of the pregnant woman would be endangered if the fetus was carried to term.**
- The certification statement, which must contain the name and address of the enrollee, must be attached to the claim form. The diagnosis or medical condition which makes the pregnancy life endangering must be specified on the claim.**

OR

- In the case of terminating a pregnancy due to rape or incest the following requirements must be met:**

²2020 Louisiana Medicaid Managed Care Organization Statement of Work, Section 6.17

AETNA BETTER HEALTH®

Policy

Policy Name:	<u>Abortion Procedures</u>	Page:	<u>5 of 8</u>
Department:	<u>Medical Management</u>	Policy Number:	
Subsection:		Effective Date:	<u>01/01/2023</u>
Applies to:	<u>■ Medicaid Health Plans</u>		

- The enrollee shall report the act of rape or incest to a law enforcement official unless the treating physician certifies in writing that in the physician's professional opinion, the victim was too physically or psychologically incapacitated to report the rape or incest.
- The report of the act of rape or incest to a law enforcement official or the treating physician's statement that the victim was too physically or psychologically incapacitated to report the rape or incest must be submitted to Aetna Better Health along with the treating physician's claim for reimbursement for performing an abortion.
- The enrollee shall certify that the pregnancy is the result of rape or incest, and this certification shall be witnessed by the treating physician.
- The "Office of Public Health Certification of Informed Consent-Abortion" form shall be witnessed by the treating physician.

Elective abortions are not covered, and abortion services can only be performed by a licensed physician³.

ABHLA will provide for abortions in accordance with 42 CFR Part 441, Subpart E, and the requirements of the Hyde Amendment (currently found in the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2014, Public Law 113-76, Division H, Title V, §506 and §507) and only if:

- A woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself that would, as certified by a physician place the woman in danger of death unless an abortion is performed; or
- The pregnancy is the result of an act of rape or incest.

For abortion services performed because of a physical disorder, a physician must certify in their handwriting, that on the basis of their professional judgment, the life of the pregnant woman would be endangered if the fetus were carried to term. The provider will:

- **Attach the certification statement to the claim form that will be retained by ABHLA. The certification statement will contain the name and address of the patient. The diagnosis or medical condition which makes the pregnancy life endangering will be specified on the claim.**

For abortion services performed as the result of an act of rape or incest the following requirements will be met:

- **The member will report the act of rape or incest to a law enforcement official unless the treating physician certifies in writing that in the physician's professional opinion, the victim was too physically or psychologically incapacitated to report the rape or incest;**
- **The report of the act of rape or incest to law enforcement official or the treating physician's statement that the victim was too physically or psychologically incapacitated to report the rape or incest will be submitted to ABHLA along with the treating physician's claim for reimbursement for performing an abortion;**
- **The member will certify that the pregnancy is the result of rape or incest, and this certification will be witnessed by the treating physician; and**
- **The Certification of Informed Consent--Abortion, which may be obtained from the Louisiana Office of Public Health via the request form or by calling (504) 568-5330, will be witnessed by the treating physician. Providers will attach a copy of the Certification of Informed Consent--Abortion form to their claim form.**
- **All claim forms and attachments will be retained by ABHLA. Aetna will forward a copy of the claim and its accompanying documentation to LDH.**

No other abortions, regardless of funding, can be provided as a benefit under this Contract. Aetna Better Health of Louisiana will not make payment for any core benefit or service under the Contract to a network or non-network provider if any abortion performed hereunder violates federal regulations (Hyde Amendment).

Claims³

- **Hard-copy claims are required for review.**
- **All claim forms and attachments will be retained by ABHLA. ABHLA will forward a copy of the claim and its accompanying documentation to LDH.**
- **All associated providers requesting reimbursement must attach a copy of the "Office of Public Health Certification of Informed Consent-Abortion" form to their claim form.**
- **A physician certification statement must be attached to a claim form, confirming the condition related to the procedure and will be retained by the health plan. The**
